

Murano SL model shown in Brilliant Red with optional equipment.

PRINTED EXCLUSIVELY FOR
Gandrud Nissan

NISSAN MURANO

REDEFINE ADVENTURE IN THE URBAN LANDSCAPE. There are many words to describe the Nissan Murano. Ordinary, however, will never be one of them. After all, Murano was the first All-Wheel Drive SUV to offer a 240-hp aluminum-alloy V6 matched to an advanced Xtronic CVT (Continuously Variable Transmission) for exceptional smoothness with invigorating power and increased efficiency. While inside its well-appointed cabin, Murano distinguishes itself further with available amenities like an Intelligent Key keyless entry and ignition system. Dual Zone Automatic Temperature Control. A multi-talented Information Center. Plus an optional DVD-based Nissan Navigation System* that's ready to guide you to wherever your adventurous spirit leads.

* Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation System is inoperable in Hawaii and Alaska. It is operational in the contiguous 48 states.

THREE EXCEPTIONAL NISSAN MURANOS TO CHOOSE FROM.

S: REDEFINITION OF ADVENTURE

SL: STATEMENT OF BEAUTY

SE: PORTRAIT OF PERFORMANCE

WARRANTY

Every Nissan is backed by a 36-month/36,000-mile limited vehicle coverage and a 5-year/60,000-mile limited powertrain coverage. (For complete information, see your Nissan dealer and read the actual limited warranty.) For extra protection, you can also add Security+Plus,[®] the only extended service agreement approved by Nissan.

< Check stats like air conditioning settings, outside temperature, audio system, and time on the Information Center.

Pull the side handles, and one > or both rear seats effortlessly flip down, giving up to 81.6 cu ft of cargo storage.

^ Real aluminum accents reflect Murano's capable personality.

Murano's Xtronic CVT > (Continuously Variable Transmission) offers greater efficiency, optimal power, and remarkable smoothness. Plus no shift shock.

< Murano's wireless Intelligent Key allows you to open doors and even start the vehicle without ever inserting a key into a door lock or ignition.

¹No satellite radio reception is available unless optional satellite receiver and antenna were purchased and installed and an XM[®] or SIRIUS[™] satellite radio service subscription is active. Satellite radio option can only be installed in vehicles that were factory pre-wired for satellite radio. Satellite radio not available in Hawaii and Alaska. ²Use regular unleaded fuel with 87 octane. For maximum power, use premium fuel. ³Cargo shown for display purposes only. Nissan recommends that all loose items be secured when transported. Cargo and load capacity limited by weight and distribution.
