PRINTED EXCLUSIVELY FOR

Gandrud Nissan

2008 NISSAN ALTIMA

BRILLIANCE IN MOTION. Find genius at your fingertips. Push Button Ignition to rouse a potent 270-hp V6. The outstanding response of a groundbreaking Xtronic CVT™ transmission. Touch-screen navigation¹ with live traffic reporting to take the pulse of your daily commute. Intelligent Key and Bluetooth® to keep your hands exactly where you want them – on the wheel of one of the most exhilarating sedans on the road.

¹Never program while driving. GPS mapping may not be detailed in all areas or reflect current road regulations. Navigation System is inoperable in Hawaii and Alaska. It is operational in the contiguous 48 states and Canada.

Altima's Push Start button combines with the wireless Intelligent Key to start the vehicle without ever removing the key from your pocket or purse.

Altima's available Bose® audio system features a 6-disc in-dash changer with MP3/WMA capability, an auxiliary input, and optional satellite radio.

The Bluetooth® Hands-Free Phone System teams up with your Bluetooth-enabled phone for advanced communication: make or receive calls, record voice messages, even store up to 70 telephone numbers.

Altima's Xtronic CVT™ (Continuously Variable Transmission) offers optimal power, and remarkable smoothness. Plus no shift shock.

Use Altima's available navigation system with touch-screen functionality and hands-free voice activation to get directions, choose from over 5-million points of interest, store up to 100 destinations in the address book, or activate voice guidance to announce your way home.
